

Government of Pakistan
National Language Promotion Department

Directory of Translators

National Language Promotion Department is planning to publish a revised and updated edition of its Directory of Translators. The directory will include particulars of persons capable of translating texts of social and scientific disciplines from different languages to Urdu and vice versa.

Interested translators may send the information on the Performa available on our website www.nlpd.gov.pk, by e-mail or through post at the address given below. For any further information please contact.
